Installation/fitting

Please advise if wall fixing is required when ordering. All products to be fitted by Pineapple (where applicable). If not, any guarantee is at risk of becoming null and void

Maintenance

A regular light dusting with a soft cloth is all that is required to maintain the appearance of this range. For more stubborn marks use a damp, not wet, cloth (a non-abrasive water-based cleaning agent can be used) and dry thoroughly. It is important to avoid using abrasive materials or cleaning agents for cleaning as this will cause scratching to the surface. Excessive amounts of water should also be avoided - any accidental spillages should be mopped up immediately and the surface dried thoroughly

Warranty

7 year guarantee
